

How To Get Rid Of Knee Pain Once And For All...Without Drugs, Shots, or Surgery

Now, in Shreveport, LA, one doctor is helping local residents with knee pain live more active, pain-free lives.

Do You Have Any of the Following Conditions?

- Arthritis
- Knee pain
- Cartilage damage
- 'Bone-on-bone'
- Tendonitis
- Bursitis
- Crunching & popping sounds

Living with knee pain can feel like a crippling experience. Let's face it, your knees aren't as young as they used to be, and playing with the kids or grandkids isn't any easier either. Maybe your knee pain keeps you from walking short distances or playing golf like you used to.

Nothing's worse than feeling great mentally, but physically feeling held back from life because your knee hurts and the pain just won't go away!

Listen to what our patients have to say . . .

"My name is Cynthia Gill and I have had knee pain for at least three years, this prevented me from walking or standing. Dr. Johnston was very helpful, since visiting his office I can stand and walk for long periods of time without any knee pain."
~Cynthia Gill

"My name is Brenda Jones and I have had knee pain so severe that it prevented me from walking. Since visiting Dr. Johnston's office I can walk again, there is no swelling on my knees, and I am in no pain at all. My overall experience was beyond my expectation." ~Brenda Jones

"I live in Ruston and saw the ad in the paper. I had several injections that initially helped but had stopped. I had pain in the left knee, which caused limping. After visiting Dr. Johnston, the pain is gone and I do not limp anymore. Dr. Johnston and staff is very professional and friendly." ~Miriam Savage

"I was unable to walk uphill without severe pain in my knee. I am able to do things now that I could not do two years ago. Dr. Johnston was honest and cared." ~Debbie Morgan

"Any time I was on my feet I had pain in my knees. I had instant results and was able to do normal activities within the first month." ~Buddy Hancock

"My name is Linda Baker and I have had knee pain for about five years. My right knee was swollen and very painful. I could not walk normal anywhere and this affected my daily activities. Since visiting Dr. Johnston I have no pain in my knee, nor any swelling. Early in my treatment the pain was gone, my treatments were not painful and now I am pain free." ~Linda Baker

Here's what to do now:

Due to the expected demand for this special offer, I urge you to call our office at once. The phone number is **318-687-9671**. Expiration Date: July 31, 2015

Call today and we can get started with your talk, exam and x-rays as soon as there's an opening in the schedule. Our office is called Johnston Chiropractic and you can find us at 9141 Walker Rd. in Shreveport, LA. Tell the receptionist you'd like to come in for the Knee Evaluation.

Yours in Health, Paul F. Johnston, D.C.

P.S. Now you might be wondering...

"Is this safe? Are there any side effects or dangers to this?"

The FDA cleared the first Cold Laser in 2002. This was after their study found 76% improvement in patients with pain. Their only warning – don't shine it in your eyes. Of course at our office, the laser is never anywhere near your eyes and we'll give you a comfortable pair of goggles for safety.

Don't wait and let your knee problems get worse, disabling you for life. Take me up on my offer and call today **318-687-9671**.
